

# RIDGID

## WD3050 Portable Pro Wet/Dry Vac

The RIDGID® 3 gallon is a compact wet/dry vac that is designed to deliver performance of a vac twice its size. Its lightweight, small size and large carry handle provide comfortable portability. The built-in suction-powered dustpan makes cleaning quick and easy. The vacuum's 3.5 peak horsepower motor, 10' power cord, locking expandable hose, and 1-layer standard pleated paper filter will please Pros and DIY'ers alike.

### FEATURES

- 3.5 Peak HP Motor
- Lightweight
- Large Carry Handle
- Integrated Hose
- Cord Wrap With Quick Release
- Expanding Locking Hose
- 1-7/8" Diameter Hose
- 1-Layer Standard Filter
- Included Accessories

### BENEFITS

- Powerful performance is comparable to wet/dry vacs twice its size.
- 9.8 Pound vac is extremely portable.
- Designed for convenient portability.
- Hose stores on vac to improve storage and transport.
- Built-in cord storage has quick-release so you can spend your time cleaning and not unwrapping the cord.
- The expanding hose locks to the vac so it won't pull loose during use.
- Offers non-clogging performance similar to larger diameter hoses with the flexibility of smaller diameter hoses.
- Pleated paper filter captures common everyday dirt.
- 1-7/8" x 7' Expanding Locking Hose, Car Nozzle, Built-In Dust Pan, & 1-Layer Paper Pleated Filter
