## WD0970 6 Gallon High Performance Wet/Dry Vac

The RIDGID® 9 Gallon High Performance Wet/Dry Vac is designed for DIY'ers who want a traditionally styled, compact vac that delivers the powerful performance and rugged durability required for job site clean-up. This vacuum has a 9 gallon drum size that results in a more compact design that requires less storage space on a service truck or in a work shop or garage. And its top carry handle makes transporting easier than ever. It features the Patented Qwik Lock® Filter Fastening System that makes installing or removing your filter quick, easy & secure.
