# A Modern Software Stack for Energy Logistics

Making our software names more intuitive, memorable and easy to search for online is why we've taken a fresh approach with our categories and product names. Need to confirm the new name for the software in your operation? Simply refer to our Naming Reference Guide on the next page.

## Operations Management Software

### PipelineManager™ Software for Gas & Liquids Pipelines

Applications for Real-Time Transient Modeling (RTTM), Leak Detection, Rupture Detection, Optimization, Batch Tracking, Forecasting & Training

### PipelineStudio™ Software for Gas & Liquids Pipelines

Application for Pipeline Network Modeling

### IntegrityManager™ Software for Gas & Liquids Pipelines

Applications for Modeling, HCAs & Risk Analysis

### TerminalManager™ Software

Application for Staffed and Unstaffed Tank Storage Facilities

## Scheduling Management Software

### SchedulingManager™ Software for Liquids Pipelines

Applications for Pipeline Scheduling & Pipeline Network Management

### SchedulingManager™ Software for Liquids Terminals

Applications for Terminals and Inventory Scheduling

## Order-to-Cash (O2C) Management Software

### O2CManager™ Software for Gas Pipelines

Applications for Gas Transmission and Distribution & Gas Shippers and Merchants

### O2CManager™ Software for Liquids Terminals

Applications for Land-Locked and Marine Terminals

### O2CManager™ Software for Liquids Pipelines

Application for Hydrocarbon Liquids Pipelines

EMERSON™

# Naming Reference Guide

### for Emerson's Energy Logistics Software

| Categories for Pipelines | Former Name | New Name |
|---|---|---|
| **Operations Management Software for Gas & Liquids Pipelines** | PipelineManager™ Software with RTTM | PipelineManager™ Software with RTTM |
| | LeakSentinel™ Software | PipelineManager™ Software for Leak Detection |
| | RuptureSentinel™ Software | PipelineManager™ Software for Rupture Detection |
| | PipelineOptimizer™ Software | PipelineManager™ Software for Optimization |
| | Commercial Batch Tracker™ Software | PipelineManager™ Software for Batch Tracking |
| | GasLoadForecaster™ Software | PipelineManager™ Software for Forecasting |
| | PipelineTrainer™ Software | PipelineManager™ Software for Training |
| | PipelineStudio™ Software | PipelineStudio™ Software |
| | RiskFrame Modeler™ Software | IntegrityManager™ Software for Modeling with Modules for DIMP and MAOP |
| | RiskFrame HCA™ Software | IntegrityManager™ Software for HCA |
| | RiskFrame Liquids HCA™ Software | IntegrityManager™ Software for Liquids HCA |
| | RiskFrame Analyst™ Software | IntegrityManager™ Software for Risk Analysis |
| **Scheduling Management Software for Liquids Pipelines** | PipelineScheduler™ Software | SchedulingManager™ Software for Pipelines |
| | TransportPlanner™ Software | SchedulingManager™ Software for Pipelines with Module for Network Management |
| **Order-to-Cash (O2C) Management Software for Gas & Liquids Pipelines** | PipelineTransporter™ Software for Gas Pipelines | O2CManager™ Software for Gas Transmission & Distribution |
| | TransactionManager™ Software for Gas Pipelines | O2CManager™ Software for Gas Shippers & Merchants |
| | Synthesis™ Software for Liquids Pipelines | O2CManager™ Software for Liquids Pipelines |

| Categories for Terminals | Former Name | New Name |
|---|---|---|
| **Operations Management Software** | TerminalManager™ Software | TerminalManager™ Software |
| **Scheduling Management Software** | TerminalScheduler™ Software | SchedulingManager™ Software for Terminals |
| | InventoryScheduler™ Software | SchedulingManager™ Software for Inventory |
| **Order-to-Cash (O2C) Management Software** | Synthesis™ Software for Terminals | O2CManager™ Software for Terminals |
| | Synthesis™ Software for Marine | O2CManager™ Software for Marine |

**Need to Submit a Guardian Support Ticket?**
If yes and the name of your product has changed, please reference the former name on the ticket you are submitting. The Guardian Portal will associate the former name with the new name. If you haven't subscribed to Guardian yet, visit **Guardian** and click on 'Request for a New Account'.
