1.2 The Contract is effective on the date when both Customer and Emerson have signed this Agreement.
1.3 The Appendix and the Specification must be in writing and be signed by both Emerson and Customer.
1.4 If there are any conflicts, discrepancies or ambiguities, the following order of priority applies: (1) this Agreement, (2) the Appendix, (3) the Specification. Clauses 5 and 16 of this Agreement take priority over the rest of this Agreement.
1.5 All communications about the Contract must be in Ukrainian or Russian and state the Contract number and date and the Specification number.

2. Customer Duties

- 2.1 Customer must in a timely manner supply the information, documents and instructions Emerson reasonably needs to proceed with its Contract duties.
2.2 Customer is responsible for the accuracy and completeness of all information it supplies.
2.3 If Emerson performs Services at Site, Customer will not ask Emerson or Emerson Personnel to enter any agreement which imposes, waives, releases, indemnifies or otherwise limits or expands any rights or obligations in respect of Emerson or Emerson Personnel. Any such agreement is void.
2.4 If the acts or omissions of Customer, Customer Personnel or Customer's other contractors delay or prevent Emerson from performing a Contract duty or increase Emerson's costs, time will be extended and Customer will compensate Emerson accordingly.

3. Delivery

- 3.1 Delivery and Performance Periods. Delivery and performance periods begin on the date specified in the Contract or Specification.
3.2 Delivery Terms. Unless the Contract says otherwise, Emerson will deliver the Goods, Documentation and Software from its, its Affiliate's or third party's factory or warehouse (the point of delivery), Carriage Paid To (CPT) the place of destination named in the Contract (Incoterms® 2010). Customer will pay for freight, packing and handling at Emerson's then current rates.
3.3 Partial Shipments. Emerson may make partial shipments. Emerson may ship batteries separately from the rest of the Goods. Hard copies of Documentation may be shipped separately from the Goods.
3.4 Storage. Emerson may place Goods, Documentation and Software into a third party warehouse chosen by Emerson, at Customer's expense if Customer, by its acts or omissions, delays their shipment. On placing Goods, Documentation and Software in the warehouse, delivery is complete and risk and title in Goods and Documentation passes to Customer.

4. Title & Risk

- Even if the Contract says otherwise and except as stated in Clauses 3.4 and 5:
a) for Goods and Documentation, title will pass to the Customer on delivery; and
b) risk of loss will pass to Customer under the Incoterms® 2010 rule stated in the Contract.

## 5. Documentation, Software, Firmware and Intellectual Property

- 5.1 Emerson and other owners will each keep all rights, interest and title in their respective Documentation, Software, and Firmware (including copies of Software and Firmware).
- 5.2 Customer's use of Software and Firmware is governed exclusively by the software license agreement with Emerson (or its Affiliate) if there is one or, in any other case, by the license terms of the owner.
- 5.3 If Software or Firmware is not governed by a separate software license agreement, Customer is granted a non-exclusive, royalty-free license to use that:
- Software only in conjunction with the Goods; and
  - Firmware in the Goods, only as incorporated in the Goods.
- In both cases, the license applies only at the Site where the Goods are first used.
- 5.4 Customer may only copy Documentation (with its copyright notices unchanged) as needed to install, operate, re-calibrate, de-install, maintain and repair the Goods for its reasonable internal business purposes.
- 5.5 Unless the Contract says otherwise, Documentation will consist of one copy only of Emerson's, its Affiliates', or the manufacturer's standard documents in Ukrainian, Russian or English, as determined by the parties. Emerson is only required to supply third party documents if authorised to do so by the third party. Emerson may choose to supply Documentation by hard copy, by CD-ROM or other suitable media, or by download from a website unless otherwise agreed in the Contract.

## 6. Compensation

### 6.1 Prices/Rates.

Unless the Contract says otherwise, the prices, Software license fees and rates:

- are fixed for Goods, Documentation and Software licenses delivered and for Services performed within the period(s) stated in the Contract;
- include all taxes (such as value added and similar taxes), duties, levies and similar charges; Emerson will invoice all these taxes, duties, levies and charges unless it has received an appropriate exemption from Customer;
- include freight, packing and handling; and
- exclude the storage, installation, start-up and maintenance of the Goods and Software.

### 6.2 Payment terms.

- Unless otherwise agreed by the parties in the Specification, Customer will pay Emerson:
  - in full without set-off, counterclaim or withholding (except deductions required by Law);
  - in the Ukrainian national currency; and
  - within 30 days of the invoice date.
- Emerson will invoice:
  - Goods (including part shipments), Documentation and Software license fees: on delivery.
  - Services and storage costs under Clause 3.4: monthly in arrears.
- Customer will pay Emerson by direct bank transfer to the Emerson bank account stated in the Contract or invoice, paid in either case from Customer's account with a bank in Customer's country. Emerson may reject payment by any other method.
- Customer waives the right to dispute any invoiced amount unless Customer tells Emerson of the dispute (with detailed reasons) within 10 Days from the invoice date. All undisputed amounts are payable as set out in Clause 6.2(c).
- Emerson may end the Contract or suspend performance (including withholding shipment and suspending performance of Services) if Customer fails or, in Emerson's reasonable opinion, appears likely to fail to make payment when due under the Contract or any other contract. This action will not subject Emerson to any penalty or affect its other rights.
- Emerson may at any time demand such security for payment as Emerson may think reasonable, and Customer will provide the security within 10 Days after the request. This action will not affect any other right of Emerson.
- Customer must pay all expenses (including attorneys' fees) incurred by Emerson in collecting late payments, up to the maximum amounts permitted by Law.

## 7. Warranties

### 7.1 Emerson warrants that:

- Goods made by Emerson or its Affiliates will, under normal use and care, be free from defects in materials or workmanship; and
- Emerson and its Affiliates' Personnel delivering Services are trained and will use reasonable skill and care.

### 7.2 Warranty Periods. Unless otherwise specified by Emerson, the warranties in Clause 7.1 apply as follows:

- Services:** for 90 days from completion of the Services.
- Goods repaired, replacement items and Services re-performed:** from delivery of the replacement or completion of the repair or re-performance, for 90 days or until the end of the original warranty period (if later).

Where this Clause applies, Emerson will, at its sole option, either:
- a) correct any non-conforming Documentation and Services; or
  - b) repair or replace non-conforming Goods FCA (Incoterms® 2010) at the repair location; or
  - c) instead refund the price of the non-conforming item.
- 7.4 **Exclusions from Warranty.**
- a) The warranties in Clause 7.1(b), (c) and (d) exclude and Customer will pay the cost of all repairs and replacements caused by any of the following: normal wear and use; inadequate maintenance; unsuitable power sources or environmental conditions; improper handling, storage, installation, or operation; misuse or accident caused by anybody except Emerson; a modification or repair not approved by Emerson in writing; materials or workmanship made, provided or specified by Customer; contamination; the use of unapproved parts, firmware or software; Cyber Attack; any other cause not the fault of Emerson.
  - b) Emerson will not pay any costs relating to non-compliance with a warranty in Clause 7.1, except where agreed in writing in advance. Unless accepted in writing by Emerson, Customer will pay:
    - (i) all costs of dismantling, freight, reinstallation and the time and expenses of Emerson Personnel for travel under Clause 7; and
    - (ii) all costs incurred by Emerson in correcting nonconformities for which Emerson is not responsible under Clause 7 and in examining items that comply with the warranties in Clause 7.1.
  - c) If Emerson relies on wrong or incomplete information supplied by Customer, all warranties are void unless Emerson agrees otherwise in writing.
  - d) Customer alone is responsible for the selection, maintenance and use of the Goods.
  - e) Resale Products carry only the warranty given by the original manufacturer. Emerson has no liability for Resale Products beyond making a reasonable commercial effort to arrange procurement and shipping of the Resale Products.
- 7.5 **Disclaimer.** The limited warranties set out in this Clause 7 are the only warranties made by Emerson and can be changed only with Emerson's signed written agreement. The warranties and remedies in Clause 7 are exclusive. There are no representations or warranties of any kind, express or implied, about merchantability, fitness for particular purpose or anything else for any of the Goods, Documentation or Services.

- 11.4 Emerson will only pay any final judgment or settlement resulting from the action. If the action results in an injunction against the use of any Goods or Documentation, Emerson will, at its sole option and expense, provide a commercially reasonable alternative. This may include procuring for Customer the right to continue using the Goods or Documentation or replacing them with a non-infringing item or changing them to become non-infringing or refunding their price.
